

Communitas is celebrating our 26th Annual "Better Together" Gala on Friday, November 13th at 7 p.m.

Though we cannot gather in person this year, we are excited to be hosting a live online event. Our 2020 "Better Together" Gala will still feature our Live and Silent Auctions as well as entertainment -- but now you can attend from the comfort of your own home!

We know the world has seen many changes this year. While *how* we work may have changed, the mission and goals of Communitas remain the same. We continue to work every day to empower people, enrich lives and inspire dreams. Bringing new experiences to people with developmental disabilities is at the core of who we are and has always been the foundation of the services we are proud to provide.

Partner with us on our journey to enrich the lives of the people we support and their families. Your sponsorship can provide more meaningful and enriching experiences for people with developmental disabilities!

Communitas is dedicated to delivering individualized family-centered services, programs and support for people of all abilities -- across their lifespan and in their communities. We provide services in three distinct areas: Day Services, Residential Services and Family Support services. Communitas serves nearly 1,000 people across communities of the North Shore area through our coordinated continuum of services:

- 140 individuals in Adult Foster Care, 24-hour residential and In-home Support services
- 280 individuals in Day Habilitation and Employment / Career Services at three program sites
- 600 families within our Family Support center and eclectic Recreation programs

Our mission is to meet individual needs - whatever they are and however they change - while inspiring dreams. We advocate passionately while compassionately delivering services and programs that expand opportunities, empower people, support independence and enrich lives.
