Comings & Goings

This month the only thing we're saying goodbye to is 2020 and we're welcoming 2021! Thank you to all the staff who stuck it out and worked so hard to keep us afloat this year!

This Month's Inspired Spotlight Goes To....!

This is actually Dan D.'s SECOND Inspired Spotlight Award! Dan, as with all of us, has had a tough time with some of the changes we've been dealing with in 2020 but that hasn't stopped him from bringing his best attitude to program! Dan is always quick with a smile and a greeting and never says no to helping someone out. People like Dan have gotten us through this tough year!

COMMUNITAS

December Events

December was a month full of holiday spirit here at Communitas! We decorated the program and held our annual Holiday Spirit Week the week of Christmas.

This spirit week we included a Holiday Accessories Day (bonus points given for holiday themed masks!)

Happy Holidays!

January Events

New year, new track? Supervisors are starting to discuss a possible track change in January. This would be the first big switch up since returning from the program closure.

What do you guys think about this? Do you miss changing tracks and hanging with different instructors?

Let Alyssa and Cara know!
