Empowering people. Enriching lives.

CommUNITY Walk

At its core, this event is all about CommUNITY – raising awareness, building inclusion, and celebrating everything that makes us stronger together.

The CommUNITY Walk is not really a fundraiser, it's more than that! It's a joyful gathering of our community, staff, families, friends, and neighbors. It's a day to celebrate our mission through community and connection. We come together to share stories, honor our differences, and create space for everyone to belong.

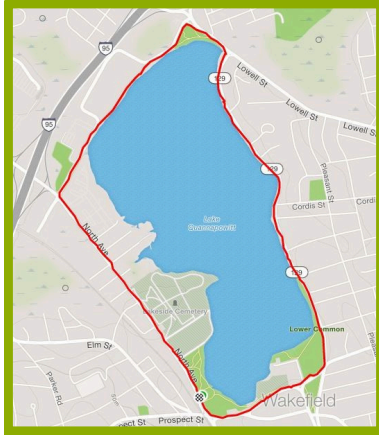

**Because when we show up as we are,
we're all part of something truly powerful.**
